**WILL IT CURE ME?**

That's the personal question a woman asks herself when she reads of the cures of womanly diseases by the use of Dr. Pierce's Favorite Prescription.

Why shouldn't it cure her?

Is it a complicated case? Thousands of such cases have been cured by "Favorite Prescription." Is it a condition which local doctors have declared incurable? Among the hundreds of thousands of sick women cured by the use of Dr. Pierce's Favorite Prescription there are a great many who were pronounced incurable by local doctors. Wonders have been worked by "Favorite Prescription" in the cure of irregularity, weakening drains, inflammation, ulceration and female weakness, into always "heals." It almost always cures.

"I commenced taking your medicine, 'Favorite Prescription,' nearly a year ago for chronic inflammation of womb, and can truly say it is the only thing that ever did me any good," writes Mrs. L. C. Wagner, of 125 Edwin Street, Toronto, Ontario, Canada. "I could not walk any distance before using it. After taking six bottles of your 'Favorite Prescription' I find I can walk without difficulty and am greatly benefited in general health. Would advise all suffering women to use Dr. Pierce's medicine."

These are the original Little Liver Pills, first put out over 40 years ago, by old Dr. E. V. Pierce. They're been much imitated but never equaled. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. Permanently cured, too. By their mild and natural action, these little pills gently lead the system into natural ways again. Their influence lasts.

**THE REAL TEST**

Of Herpelide is in Giving it a Thorough Trial.

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate dandruff and stop falling hair?

No, they do not, but Herpelide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpelide stands the "test of use."

It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich.

E. S. Leadbeater & Sons, Special Agents.

**STRONG Again**

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

**Kodol Dyspepsia Cure**

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

**Digests What You Eat**

**Cost of Presidential Tours.**

Public interest in the free use of railroads by President Roosevelt at the same time that he is urging the enactment of more stringent laws for the regulation of traffic has been intensified by the publication of an article in the Railroad Gazette, pointing out that railroads violated the interstate commerce law every time they carried the President for nothing or for a "nominal" charge.

The coming tour of the President to the South, beginning October 18, will cover about 2,000 miles. It will include Richmond, Va., and Raleigh, N. C., and the homestead where his mother was born, at Roswell, Ga.; Atlanta, Memphis and other places on the route. The trip will take about 10 days.

The President probably will have on his tour a private car, a baggage car, two sleepers and a dining car. For such a service the railroads ordinarily charge about \$2.50 a mile, which would bring the ordinary charge for such a trip for transportation alone up to about \$5,000.

If there are 20 persons in the party—and usually there are quite that many on the President's train—the cost of meals will be about \$60 a day, or for 10 days, \$600. Thus the ordinary expenses of a trip, if paid for at the "open rate"—that is to say, the rate that under the interstate law the railroads would turn over the car to any civilian—the cost would be, at the lowest figure, \$5,600.

The Southern Railway will have charge of the President during his October trip. It is preparing to give the finest possible service, and the train probably will be a superb affair. If this railroad made the "nominal charge" of \$50 a day, which the Railroad Gazette intimates was the offer of the railroad that managed the President's trip to Texas and Colorado and which was rejected, then the President's bill for the journey would be only \$500, instead of \$5,600.

Inquiries were made yesterday of officers of the Southern Railway as to what the arrangement was that would govern the payment on this southern trip. It was said that the arrangements had been made by the executive officers, who were out of the city, and the added statement was made that the Southern Railway was very glad to carry the President at the figure that had been agreed on, because it would result in a larger passenger traffic to the southern cities than had ever been known before. The statement was made, however, that the President was paying for the train.

During the tour of the South the President's special will go over the tracks of the Southern, the Louisville and Nashville and the Iron Mountain railroads.

Since he has been in the White House, Mr. Roosevelt has taken almost as many trips as all the other Presidents combined. He always travels in a private car.

**Raid On Gamblers.**

Police, with axes, chopped their way through the walls into a poolroom at 116 University Place, New York, yesterday, and captured 200 men in the room. This raid followed upon an appeal which Police Commissioner McAdoo made Thursday to the Western Union Telegraph Company and to the New York Telephone Company for assistance in locating pool-rooms.

A squad of police waited near 116 University Place yesterday, while a detective entered and placed bets on the races. He signaled two other detectives in hiding on a roof which overlooked a window of the poolroom. Crawling along window ledges these officers reached the windows where they had seen the signal and jumped into the room. The trio of detectives, with drawn revolvers, then held 200 patrons of the place at bay, themselves captives with their own prisoners, locked inside of a system of doors which had been bolted as the officers jumped through the window. For half an hour the imprisoned detectives stood off an angry, threatening crowd, while the squad of police outside chopped at the doors. The walls proved to be more yielding than the steel-ribbed doors, and the police finally entered by cutting a hole through the plaster. Charles Davis was arrested, charged with being the proprietor, and three other men were held with him. The rest were allowed to go. Telephones, telegraph instruments and other paraphernalia were confiscated by the police. A rubber tube 50 feet long, with a whistle attached to the poolroom end of it, led to the street below. The detectives tore off the whistle before the lookout at the other end had sighted the attacking squad of police.

**Could Not Be Better.**

The uniform success of Chamberlain's Colic, Cholera and Diarrhoea Remedy has won for it a wide reputation and many people throughout the country will agree with Mr. Chas. W. Mattison, of Milford, Va., who says: "It works like magic, and is the best preparation I know of. It couldn't be any better." He had a serious attack of dysentery and was advised to try a bottle of this remedy, which he did, with the result that immediate relief was obtained. For sale by Gibson & Timberman and W. F. Creighton & Co.,

310 & 312 Prince Street.

## Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended—or with what—or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

**LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, strength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.**

**LION COFFEE is carefully packed at our factories, and until opened in your home, has no chance of being adulterated, or of coming in contact with dust, dirt, germs, or unclean hands.**

In each package of LION COFFEE you get one full pound of Pure Coffee. Insist upon getting the genuine. (Lion head on every package.)

(Save the Lion-heads for valuable premiums.)
